Dear Mr. Freudenthal:

We have received your December 13, 2018, emailed inquiry about your FOIA request #18-01106. The request was administratively closed on November 26, 2018, since we did not receive a reply from you by the date provided in our October 22, 2018, letter. Upon receipt of your recent email (December 13, 2018), we have recheck our office emails, as well as emails submitted through our PAL online system, and still did not find a record of receiving your email of October 27th, nor did we locate any other email from you regarding this request.

However, if you are still interested in the records, please submit a new request, keeping in mind that I should be sufficiently narrow so that program can conduct a reasonable targeted search for responsive records.

It appears that you may have difficulties with the third party portal you are using to file FOIA requests and correspond with us. Therefore, we suggest that you consider submitting your FOIA requests directly to us via email or through our online PAL portal. You may find contact directions for each on our webpage at <https://www.cdc.gov/od/foia/>.

You may contact our FOIA Public Liaison at 770-488-6277 to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

Sincerely,
